15 October 1975

MEMORANDUM FOR: AC/MPRRD/IC

SUBJECT : NIO FY-75 KIQ Performance Evaluations

REFERENCES : A. USIB/IRAC-D-22.1/38, 9 June 1975  
Subject: FY-1975 KIQ Guidance and  
Instructions for Performance Reporting  
B. USIB/IRAC-D-22.1/40, 30 June 1975,  
Subject: Listing of KIQ Objectives

1. On the whole, NIO responses to the requirement for evaluations of community performance on FY-75 KIQs have been comprehensive and in consonance with the guidance and instructions set forth in Reference A.

2. However, 45 days after assessments of Community performance were to have been completed, nine of the 65 due from NIOs are still outstanding--four from the NIO/USSR and EE, three from the NIO/ME and two from the Special Assistant to the D/DCI/NIO. Performance assessments on four KIQs will not be provided

25X

3. 8\* of the 56 received provide neither relative assessments of community performance, nor judgments of the relative contributions of collection methods 'because [redacted]  
[redacted] leaves on his trip tomorrow' (9 October).

25X

4. Fifteen of the 56 do not provide judgments of  
a. the degree of achievement of each collection and production objective specified in the strategy statement or,

**CONFIDENTIAL**

**CONFIDENTIAL**

b. a numerical assessment of the proportionate contributions of each collection method to the information gained for each collection objective specified in a strategy statement.

These elements of the performance assessments were specifically approved by Mr. Carver prior to their inclusion in the instructions set forth in Reference A.

5. The 15 incomplete assessments represent the entire submissions of three NIOs:

X1  
- [redacted]  
- [redacted]  
- [redacted]

X1  
6. It is requested that guidance be solicited from [redacted] as to a preferred course of action for eliciting still outstanding NIO assessments and responsiveness to agreed reporting instructions with respect to the specific collection and production objectives identified by the NIOs, and circulated to the Community as Reference B.
